1. Applicability of these terms and conditions

1.1 These general terms and conditions (hereinafter: "general conditions") apply to all offers, tenders and quotations of Donrox B.V., and to all Agreements concluded between Donrox B.V. and the Other Party.

1.2 The applicability of any general conditions of the Other Party is hereby expressly rejected. Deviations from and/or additions to these general conditions will only be binding if and to the extent expressly confirmed in writing by Donrox B.V. and relate only to (the part of) the Agreement in respect of which such acceptance has taken place.

1.3 If at any time one or more provisions of these general conditions become void or voidable, whether in part or in full, the rest of these general conditions remain in force. In this event, Parties will agree on the replacement of the void or voidable provisions by new provisions, while retaining the purpose and scope of the original provisions as much as possible.

1.4 If Donrox B.V. does not insist on the strict observance of these general conditions at all times, this does not mean that the provisions concerned have become inapplicable or, in other cases, Donrox B.V. has in any way relinquished the right to insist on the strict observance of the provisions of these general conditions.

2. Quotation and offers ("offers")

2.1 The nature and scope of the Agreement is determined by the description in the offer.

2.2 All offers of Donrox B.V. are without obligation, unless an acceptance period has been stipulated in the offer. This means that Donrox B.V. has the right to change the conditions of the offer. The Other Party can therefore not derive any rights from the offer. If the offered products are no longer available, the offer will be cancelled.

2.3 Donrox B.V. cannot be held to its offer, if that offer or a part of it, contains an obvious mistake or clerical error.

2.4 Previously submitted offers do not automatically apply to future Agreements.

2.5 A compound offer or quotation shall not create any obligation for Donrox B.V. to deliver part of the order against a corresponding part of the price quoted for the entire order.

2.6 Donrox B.V. is at all times entitled to increase the agreed price without the Other Party being entitled to dissolve the Agreement, if that price increase is the result of a change of law or regulation or results from a price increase of the products or grounds that were not reasonably foreseeable upon entering into the Agreement.

2.7 Unless expressly stated otherwise, all quoted amounts are exclusive VAT and delivery costs.

3. Agreement

3.1 An Agreement between the Parties is only concluded if (I) the Other Party unconditionally accepts an offer from Donrox B.V., or (II) if Donrox B.V. confirms the Agreement in writing, or (III) if Donrox B.V. has already fully or partially executed the Agreement.

3.2 Donrox B.V. is entitled – upon or after entering into the Agreement and before (further) delivery – to demand sufficient security from the Other Party that both the payment obligation and any other obligations will be complied with. Donrox B.V. can therefore request a down payment on the invoice amount before it starts the execution of the Agreement. If the Other Party refuses to provide the required security, Donrox B.V. has the right to refuse the execution of the Agreement.

4. Right of Withdrawal – only applicable for Consumer(s)

4.1 The Consumer shall have the possibility to withdraw from a distance or off-premises contract, without giving any reason. The withdrawal period will expire 30 days after the Consumer acquires, or a third party indicated by the Consumer acquires, physical possession of the product(s).

4.2 The right of withdrawal cannot be invoked if any of the situations as set forth in article 6:230p of the Dutch Civil Code applies. For example: if the supplied products are personalized or if a seal is broken.

4.3 During the 30-day reflection period, the Consumer shall handle the product and the packaging with care. The Consumer shall only unpack or use the product to the extent necessary for establishing the nature, the characteristics and the effect of the product. The guiding principle is that the Consumer may only handle and inspect the product in the manner in which one is allowed to handle a product in a shop. If the Consumer exercises the right of withdrawal, he/she shall return the product with all delivered accessories and

if reasonably possible in the original state and packing and in conformity with reasonable and clear instructions given by Donrox B.V.

4.4 If the Consumer exercises his/her right of withdrawal he/she shall notify Donrox B.V. unambiguously, within the 30-day reflection period. This is done by means of the return policy, as stated on the website of Donrox B.V., by sending an unequivocal statement of withdrawal or by sending the form (this can be sent to you on your request) to the following email address: info@donrox.com. The Consumer shall then return the product(s) within 14 days counting from the day following the notification referred to in this paragraph. The risk and the burden of proof for the correct and timely exercise of the right of withdrawal fall on the Consumer.

4.5 If the Consumer exercises his/her right of withdrawal and returns a product, the costs of return shipment will be for his/her account, unless the conditions under article 7.9 of these terms and conditions are met.

4.6 The right to withdrawal on any basis whatsoever shall lapse if the notification of the Consumer to Donrox B.V. is not reported in writing within the terms set forth in this Article or if the product has not been timely returned to Donrox B.V.

4.7 Depreciation of the product during the reflection period can be charged to the consumer if it is a consequence of the way of handling the product that goes beyond what is necessary to determine the nature, characteristics and functioning of the product.

4.8 In any case, depreciation of the product is deemed to be present in the event of visible damage(s) to the product and/or failure to return the product in full. In that case, the Other Party is obliged to pay up to 100% of the purchase price to Donrox B.V., at the sole discretion of Donrox B.V.

5. Obligations of the Other Party

5.1 The Other Party must ensure that all data and documents, of which Donrox B.V. has indicated that these are necessary for the correct and timely execution of the agreed work, or of which the Other Party should understand that these are necessary for the correct execution of the work, will be made available to Donrox B.V. in time.

5.2 The Other Party is responsible for the correctness, completeness and reliability of the data and documents made available to Donrox B.V., even if these come from or via third parties.

5.3 Budgets for costs of third parties, indicated by Donrox B.V., are always indicative.

5.4 If the Other Party has not, not timely or not properly fulfilled its obligations as referred to in this article, Donrox B.V. is entitled to suspend the execution of the Agreement until the Other Party has fulfilled its obligations as stated in this article. If Donrox B.V. has to incur costs as a result, these costs will be borne by the Other Party. In that case, these costs will be charged by Donrox B.V. to the Other Party on the basis of actual costs.

6. Executions of the Agreement

6.1 All work performed by Donrox B.V. in the execution of the Agreement is performed to the best of its knowledge and ability. The obligation of Donrox B.V. relates to a best effort obligation. Donrox B.V. therefore offers no guarantee for any results or expectations.

6.2 Donrox B.V. has the right to engage (and have work done by) third parties.

6.3 Donrox B.V. determines the manner in which the Agreement is executed.

6.4 Specified deadlines for the execution of the Agreement or for the delivery of certain items are indicative and are never strict deadlines. If a term is exceeded, the Other Party must declare Donrox B.V. in default in writing.

6.5 Donrox B.V. is entitled to execute the Agreement in different phases ("partial deliveries") and to invoice the executed (partial) deliveries separately to the Other Party.

6.6 If after the conclusion of the Agreement it appears that the work to be done must be amended or supplemented in order to ensure the proper execution of the Agreement, Parties will timely and in mutual consultation amend the Agreement accordingly. If the amendment or supplement to the Agreement has financial and/or qualitative consequences or affects the time of completion of the Agreement, Donrox B.V. will inform the Other Party accordingly.

- If the Other Party collects the products at the location of Donrox B.V. or another location specified by her: the moment at which the Other Party would receive the products in accordance with the appointment made, even if the receipt of the products is refused by the Other Party at that time or even if the Other Party does not appear in time at the agreed place and time to receive the delivery.

7.3 As from the moment of delivery, the risk of loss and/or damage to products will be borne by the Other Party.

7.4 The delivery takes place Ex Works

7.5 Orders placed above an amount of € 30,00 will be delivered for free to the Other Party. Additional charges may apply for certain countries.

7.6 Orders placed on working days before 22:00PM will be shipped the same day. Exceeding the delivery time does not entitle the Other Party to compensation and/or a discount on the order, nor can it lead to dissolution of the agreement, unless the delivery time is exceeded to such an extent that the agreement cannot reasonably be expected to continue.

7.7 The Other Party is obliged to promptly accept the product(s) once being delivered to him/her. If the Other Party refuses to accept prompt delivery or is negligent in providing necessary information or instructions for delivery, the product(s) will be stored at the Other Party risk. The Other Party shall pay Donrox B.V. all additional delivery, storage and insurance costs and any other costs incurred along with any loss arising in connection with this neglect or refusal.

- the Other Party does not, not fully or not timely fulfill its obligations under the Agreement; or
- Donrox B.V. becomes, after the conclusion of the Agreement, aware of circumstances that give good ground to fear that the Other Party will not fulfill its obligations; or
- a delay on the part of the Other Party is of such nature that Donrox B.V. can no longer be expected to fulfill its originally agreed obligations under the Agreement; or
- the Other Party refuses to provide the required security.

Donrox B.V. is also entitled to invoke force majeure if the circumstance preventing (further) compliance occurs after Donrox B.V. should have met its obligations.

9.3 Donrox B.V. is entitled to suspend its contractual obligations during the period of force majeure. If the period of force majeure lasts for longer than three (3) months, either party shall be entitled to dissolve the Agreement without being obliged to pay any compensation for damages to the other party.
